Designated school for non-Chinese Speaking (NCS) Students

Yuen Long Long Ping Estate Tung Koon Primary School is a government subsidized primary school which is on Long Ping Estate in Yuen Long. Our school is easy to access. Our school is located near the bus station on Long Ping Estate and Long Ping West Rail Station. Since September 2004, our school has been appointed as one of the designated schools by Education Bureau (EDB) for non-Chinese Speaking Students. Now we are operating several NCS classes for P.1, P.2, P.3, P.4, P.5 and P.6 students of different nationalities. Small class teaching is adopted. We are proud to be an inclusive school that provides a high quality and challenging education within a caring and happy environment.

Extra funding from EDB for NCS Students

Extra funding from Education Bureau is granted to help our NCS students to integrate into the local community. A bridging course during the summer holidays is offered to our NCS students. Other free activities are organized to help NCS students to learn and know more about Hong Kong.

Successful application for extra funding from Quality Education Fund (QEF) and EDB

Our teachers have strived to apply for extra funding. More superb facilities other than the usual facilities in a primary school have been installed to enhance learning and teaching. They are Language Learning Support & Activity Centre, IT Language Centre, Campus TV, English Room and Science Room.

Multiple Intelligences Activities

There are a wide range of activities for our students to widen their horizons. Most of the activities are free.
