MISSION STATEMENT

We are proud to be an inclusive school that provides a high quality and challenging education within a caring and happy environment. We do this by continually using modern teaching methods that emphasize the whole student and multiple intelligence. While always striving to improve and use the best educational practices, we still value our school's traditions and the community. Our school motto stresses the Confucian Philosophies of Diligence, Obedience, Trustworthiness, and Sincerely. By exploring their potentials and developing their strengths, our students are able to grow and become well-rounded, valuable members of our community.

INTRODUCTION

Our School is a government subsidized primary school which is located at Long Ping Estate, Yuen Long, with a long history of achievement and success. The teachers here carefully guide and celebrate all our students academic achievements. Not only are the students' academic standard high, but the teachers are too. 100% of the English teachers have achieved the English Language Proficiency Assessment Standard.
